Thanks Madi for checking. Good plan. Happy to know my file /record keeping isn't worse off than I thought!

Hi Sean,

Just talked with Kevin about this. DEQ hasn't prepared a letter of support and Kevin, Davis, and Cami are coordinating on this.

Have a good weekend!

Good morning Madi,

I seem to have misplaced your email / letter in support of the iris update (I think from December). Would you mind resending that?

Thank you.
